SUMMARY

Strategic Project & Program Manager with a strong track record in team management, process improvement, and contract administration. Proven ability to manage project schedules, handle executive documentation, and keep stakeholders aligned to deliver high-value results on time.

WORK EXPERIENCE

Project & Program Manager | CMW Properties Limited, Lagos, Nigeria 09/2025 – Present

- Lead cross-functional teams and stakeholders to successfully deliver multiple complex projects on time while adhering to strict documentation and reporting standards.
- Manage structured data tracking for training programs, participant records, attendance, and reporting.
- Author executive reports, summaries, and insights to support management decision-making.
- Devise training materials, programs, guides, and documentation for internal and external users.
- Provide hands-on support during training sessions, including system coordination and user guidance.
- Facilitate process improvement initiatives through enhanced documentation, tracking, and communication workflows.

Executive Assistant | Freelance, Remote 10/2022 – 02/2026

- Provided high-level administrative support to two long-term clients, expertly managing complex calendars, email correspondence, travel logistics, and digital file organization.
- Conducted in-depth market and academic research to prepare comprehensive executive reports, optimizing client workflows and saving them over 15 hours weekly.
- Managed technical documentation and compliance by proofreading, formatting, and coordinating the submission of complex Nursing and STEM research papers.
- Developed structured tracking plans and educational materials, facilitating virtual training sessions that led to measurable performance improvements.

Real Estate Broker | Prodigy Africa, Victoria Island, Nigeria 09/2022 – 09/2023

- Facilitated and streamlined high-value property transactions between buyers and sellers, drafting binding contracts, lease agreements, and critical legal documentation.
- Led a team of real estate agents to consistently close deals, while spearheading price negotiations, market inspections, and stakeholder alignment.
- Optimized operational efficiency by managing executive calendars, organizing client meetings, and maintaining centralized databases to track property listings and transaction histories.
- Authored and edited executive correspondence, market analysis reports, and strategic documentation to support business growth and client retention.

Sales Advisor & Customer Relationship Manager | Lekki Gardens Estates Ltd, Lekki, Nigeria 09/2020 – 08/2022

- Drove real estate sales and client retention by conducting property site visits, analyzing listings, and delivering exceptional customer service that earned ranking as a top-performing sales advisor.

- Managed client advisory and contract negotiations, guiding buyers through property pricing, credit history assessments, market trends, and real estate regulations.
- Collaborated across teams to streamline operational processes, maintain formal property records, and enhance the overall customer experience.
- Analyzed sales data and led employee training, generating custom reports to identify market opportunities while onboarding new staff on customer service policies.

Contract Manager | VIP Express Tourism Ltd, Portharcourt, Nigeria

02/2019 – 05/2020

- Managed contract accuracy and data entry, achieving the lowest data error rate across the company through careful review and record validation.
- Ensured company and data compliance by verifying contract specifications against data protection regulations and corporate standards.
- Maintained database management systems, overseeing system updates, security access controls, and data integrity for sensitive records.
- Led employee onboarding and administrative workflows, training new staff on policies while managing executive correspondence, reporting, and expense tracking.

Data Capturer & Sales Administrator | VIP Express Tourism Ltd, Portharcourt, Nigeria

03/2018 – 02/2019

- Captured leads and stored them in the company database to maintain records of organizational information.
- Added documents to file records and created new records to support filing needs.
- Produced daily/weekly reports using Excel spreadsheet functions.
- Executed all sales deck/presentation administrative functions.

Telemarketer | VIP Express Tourism Ltd, Portharcourt, Nigeria

01/2018 – 03/2018

- Delivered scripted sales talks to prospects and clients reached via manual and automatic dialing systems.
- Scheduled appointments with interested customers based on availability.
- Escalated concerns or problem calls to management staff.
- Resolved all customer complaints professionally while prioritizing customer satisfaction.
